

The Amesbury Community Bus

Door to door minibus service to suit your needs

In November 2007 a unique collaboration was formed with COMTRANS South Wiltshire and Solstice Park, whereby a minibus was made available to the local community outside the peak travel periods, in evenings and at weekends*.

The Amesbury Community Bus is available to all community groups in Amesbury and surrounding villages and can also be used to provide a regular service for individual people with limited mobility to shop, socialise, or have days out.

16-seater minibus **Lift at rear for wheelchair access**

Nominal charge applies
